The RSCSD San Francisco Branch is sponsoring a Musician Workshop taught by Chris Duncan (fiddle) and Catherine Strutt (piano), multi award winning instrumentalists from Australia who will be playing at the Asilomar Weekend, the prior weekend. They are Australia's longest-performing Scottish music duo, beginning their partnership 30 years ago. As dancers themselves from a very early age, they understand what makes great dance music and thrive on bringing to the dance their invigorating musical vitality bursting with infectious energy, drive, color and groove.

The workshop will be held on Saturday, November 3 from 10 am – 4 pm at the Arlington Community Church, 52 Arlington Ave., Berkeley CA 94707. Chris and Catherine prefer to play without sheet music so that they can connect more closely with the dancers and will teach this approach at the workshop.

Chris and Catherine will also be playing for the RSCDS San Francisco Monthly Party that evening at the same hall and non-dancing workshop participants are welcome to come listen.

Scholarships are available for RSCDS members. See the attached flyer for more details and registration instructions.
