to Try Scottish Country Dancing! *Local Groups Offer You the Chance ...*

...to enjoy our lively social activity. Scottish Country Dancing is the traditional ballroom dance of old Scotland, with roots in the countryside and the courts.

Learn energetic jigs and reels, and the slower, elegant strathspeys, danced to wonderful fiddle music. Unlike solo Highland dancing, Country dances are done with partners in sets of two or more pairs, but, you do not need to bring a partner. The San Francisco and Sacramento Branch flyers and websites list class information.

Watch demonstrations and join us in some easy Scottish Country dances at these annual events. Look for the Scottish Country Dance information tent and stage at the Scottish games.
